

ART-315-FRO1 DIGITAL PHOTOGRAPHY PHOTOGRAPHER PROFILE PRESENTATION

ASSIGNED :: Thursday, February 11, 2016

DUE :: *Bibliography* - Thursday, February 25, 2016 *Presentations* - Thursday, March 17, 2016

POINTS :: 50 (*Bibliography* - 5 points; *Presentations* - 45 points)

DESCRIPTION

The list of influential photographers throughout the medium's history is long. Identify a prominent photographer in the genre or style of photography that interests you most on whom to present.

Step 1 :: Spend some time online and in the library and gather at least 5 sources about your subject. Two of these must be primary sources. Generate a bibliography in APA, MLA or Chicago/Turabian style (I suggest using the style that is standard in your major). **Due :: Thursday, February 25, 2015.**

Step 2 :: Create a multimedia presentation to share with the class on one of two scheduled dates (you will sign up for a date in class). Content must cover and include the following:

- Biographical information about your subject
- Portrait or photograph of your subject
- Historical context for their work (significant dates, art periods, contemporaries both photographic and artistic)
- At least 10 examples of their work representing their style, strengths and contribution to the photographic medium, including brief commentary about each example
- Description of their significant contributions to the medium, using vocabulary acquired from readings and in class

Due :: Thursday, March 17, 2015.

GRADING CRITERIA

Bibliography :: must include at least five sources, two of them primary. Formatting must be consistent with selected style guide. 5 points possible.

Presentation :: must be submitted as a PowerPoint file or PDF at the conclusion of class the day you present. Clear communication of information in class and inclusion of all requirements outlined above will earn full credit. 45 points possible.

SUBMISSION INSTRUCTIONS
