

## **ART-315-FRO1 DIGITAL PHOTOGRAPHY IMAGE COLLECTION 8 :: PRINT & PREP**

**ASSIGNED** :: Thursday, March 3, 2016

**DUE** :: Thursday, March 24, 2016

**POINTS** :: 10 (2 points per image)

### **DESCRIPTION**

As time passes and digital technology advances, photographs are being printed and displayed less and less. A printed photograph, however, is a thing to be treasured and enjoyed by many. We discussed the process of preparing images for printing, as well as mounting and matting prints for display.

1. Select 5 images from your work in class this semester and prepare them for high-resolution printing as 8x10's or 8x12's
2. Have the images printed by your preferred professional print lab
3. Once you have received your prints, prepare each print in your preferred method:  
Mount each print on foam core board using your preferred adhesive  
OR Cut mats for each image and mount each print to its mat
4. Label each print with your name and an image title on the back

### **GRADING CRITERIA**

Each prepared image will receive 1 point for submission and 1 point for adequately meeting stated requirements. Prepared prints are due by the beginning of class session on the date specified above. They will be considered late if not turned in at the beginning of class, and a 0 will be granted.

### **SUBMISSION INSTRUCTIONS**

Bring your set of 5 prepared prints to class and submit them in person.
