SUPPRESSED OUR CHANGING MORALITY

Erich Remarque and Marlene Dietrich—both safely married but not to each other, made torrid romance copy, drew no criticism.

Though Erich has been married for many years and there has been no divorce, Paulette Goddard is treated as current Mrs. Remarque.

Standards in decency have certainly changed when a young starlet like Terry Moore resorts to suggestive gowns rather than to talent.

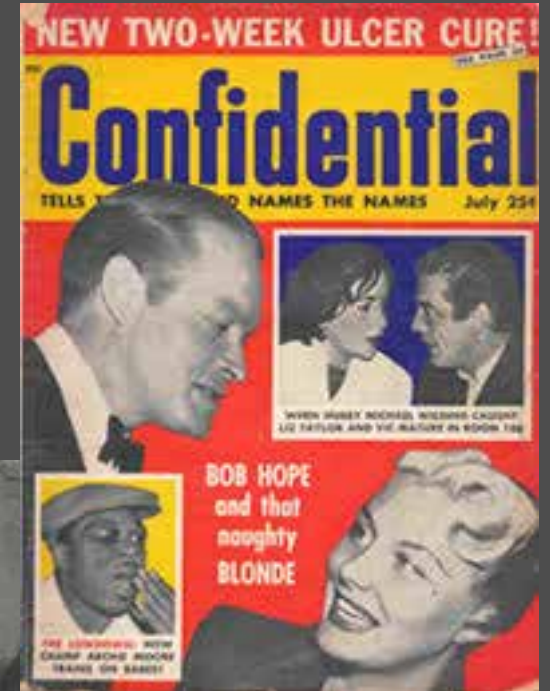

Grete Garbo vacations in Italy with George S. Shies. He is wed to Valentina.

Zsa Zsa Gabor and playboy Rubén Blades traveled over the globe, sans benefit of clergy. Zsa Zsa's child is with them.

PROMISCUITY, FREE LIVING AND FLAGRANT EXHIBITIONISM GO UNCRITICIZED
